CIRCULAR

The penalty of stoppage of increment has been prescribed for failure in the Post-Recruitment Training Examinations for Assistants and Lower Division Clerks - vide Government Circulars, General Administration Department, (i) No. EXM-1161-O&M, dated the 23rd November 1961 and (ii) No. EXM-2062-O&M, dated the 7th March 1962. The withheld increments is to be released when the person concerned passes the examination. A point was recently raised whether the increment in such cases should be released from the date on which the examination was held or the date on which the result of the examination was declared. As it is likely that the practice followed by the Secretariat Departments in this respect is not uniform, the point is clarified below.

2. ~~The increment~~ should be released with effect from the date on which the examination was held. Where the examination is spread over more than one day, the increment should be released with effect from the last day of the examination.

3. Action in accordance with the foregoing clarification should be taken in respect of candidates who passed at the Post-Recruitment Training Examination, for Assistants and Lower Division Clerks held in July 1963 and September 1963 respectively, and not in any earlier examination.

By order and in the name of the Governor of Maharashtra,
